Student Bully Prevention Services

Search Login

Who We Are

Bullying Types

Advice for parents, schools and students.

Our Solution to Bullying

Information on our proactive prevention strategies and benefits

Parents! Get Paid to Help

Learn how to get paid for volunteering

Bully Prevention Training

Learn intervention techniques

Invest!

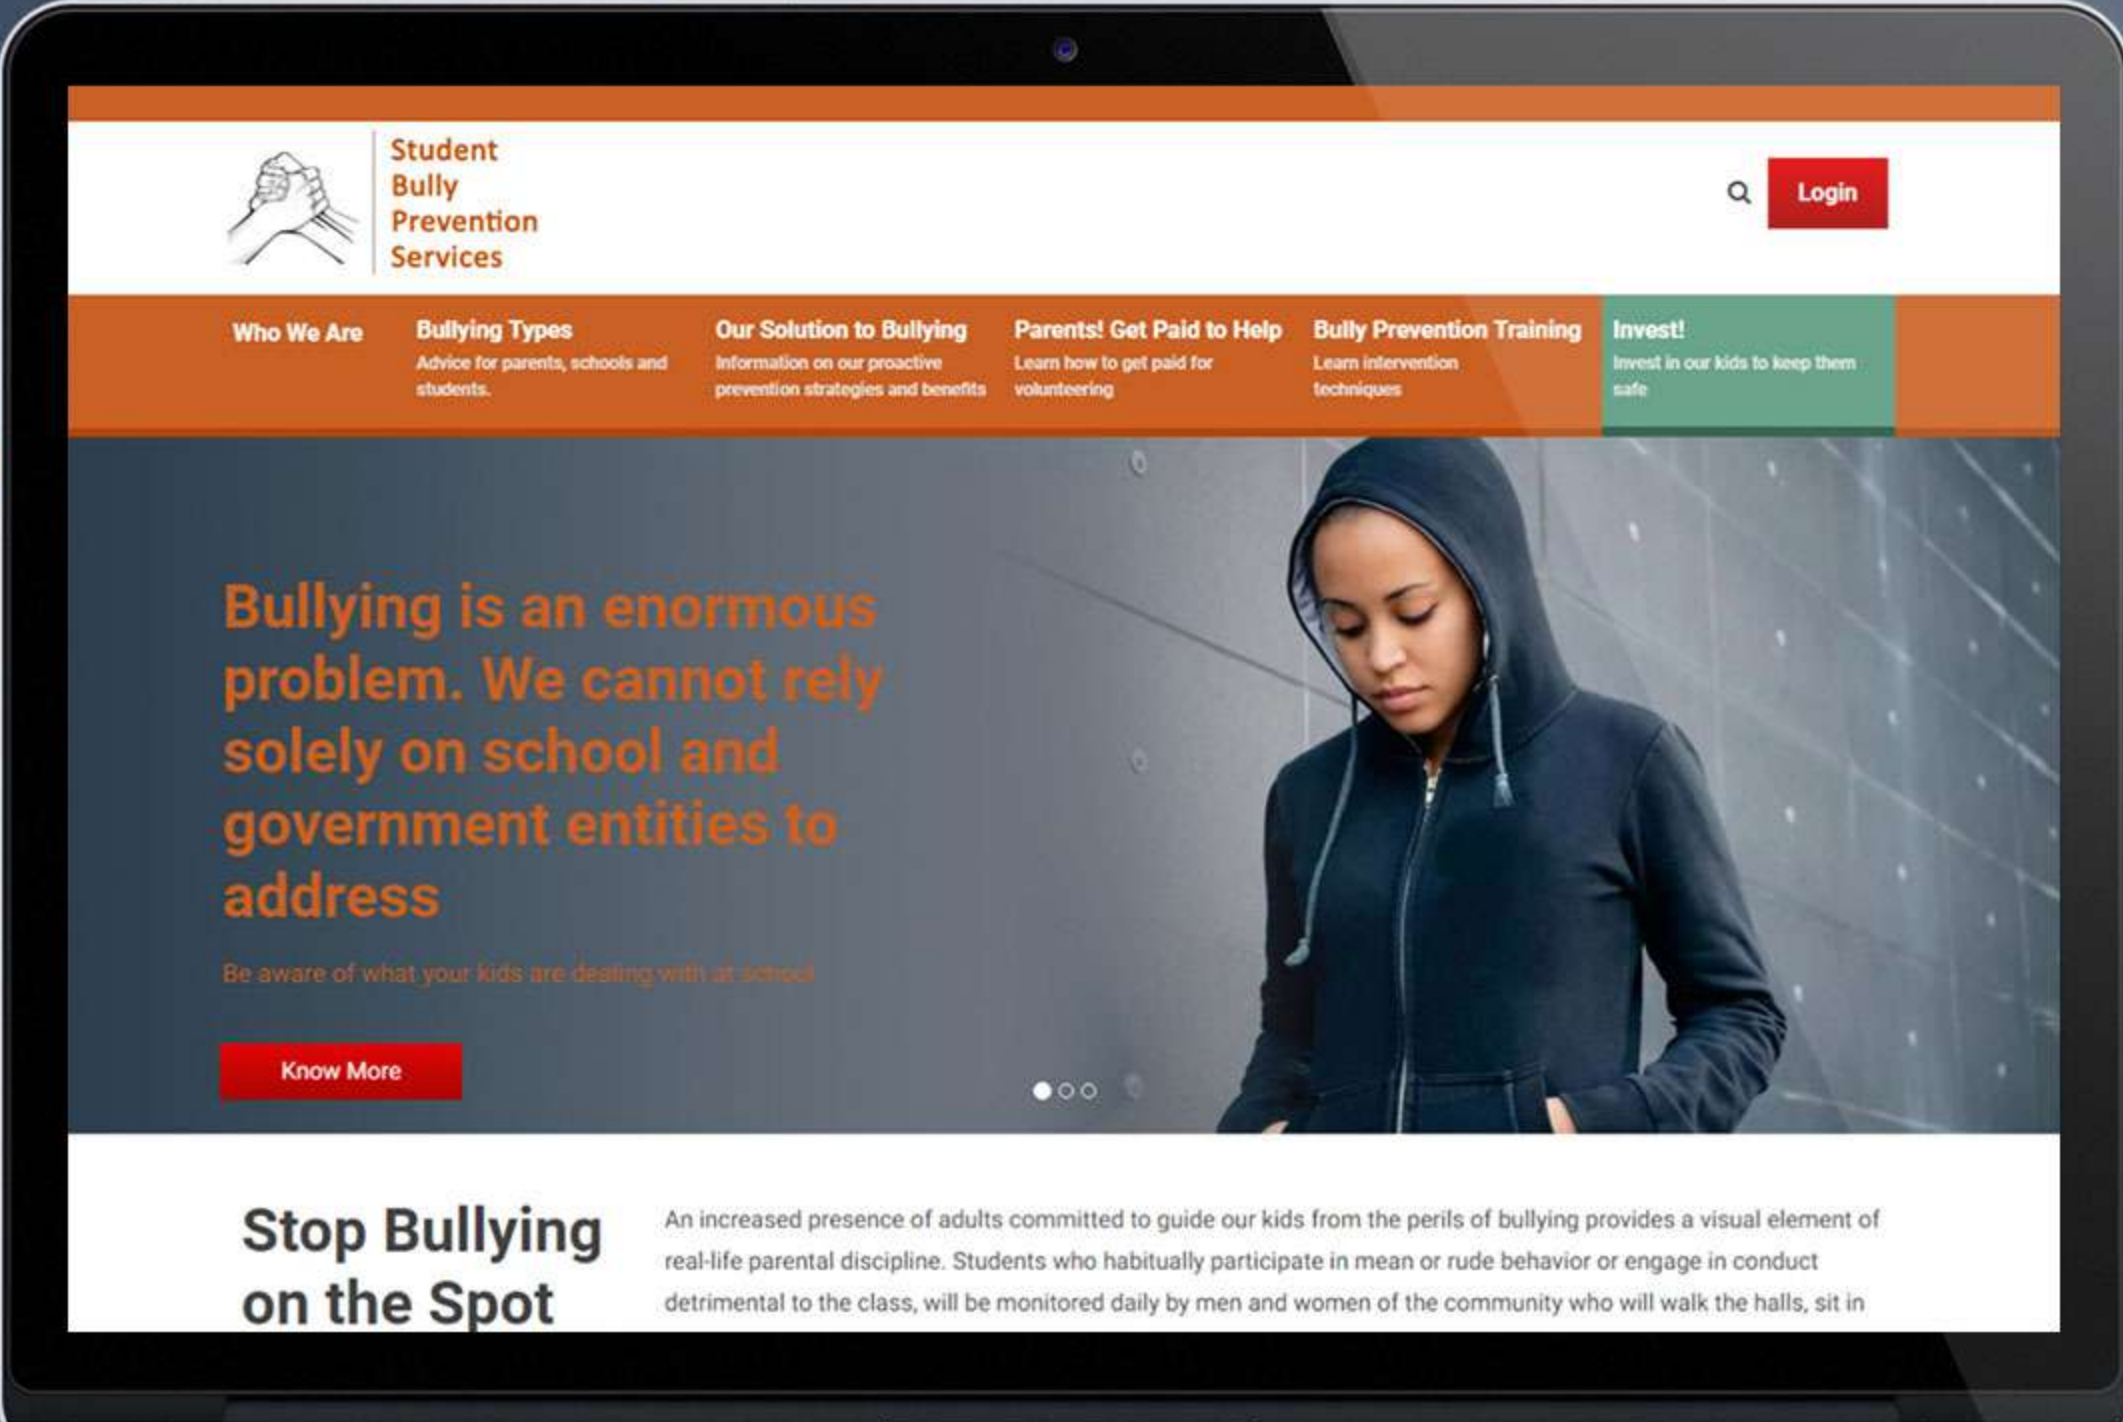

Invest in our kids to keep them safe

Bullying is an enormous problem. We cannot rely solely on school and government entities to address

Be aware of what your kids are dealing with at school

Know More

An increased presence of adults committed to guide our kids from the perils of bullying provides a visual element of real-life parental discipline. Students who habitually participate in mean or rude behavior or engage in conduct detrimental to the class, will be monitored daily by men and women of the community who will walk the halls, sit in

Training on Bullying Prevention

Gain a general understanding of the types of training and resources that are available to adults who are interested in the methodologies Student BPS has adopted.

State Laws & Policies

Educate yourself on the limitations of federal and your state's laws and policies in terms of purpose, scope and prohibited behavior.

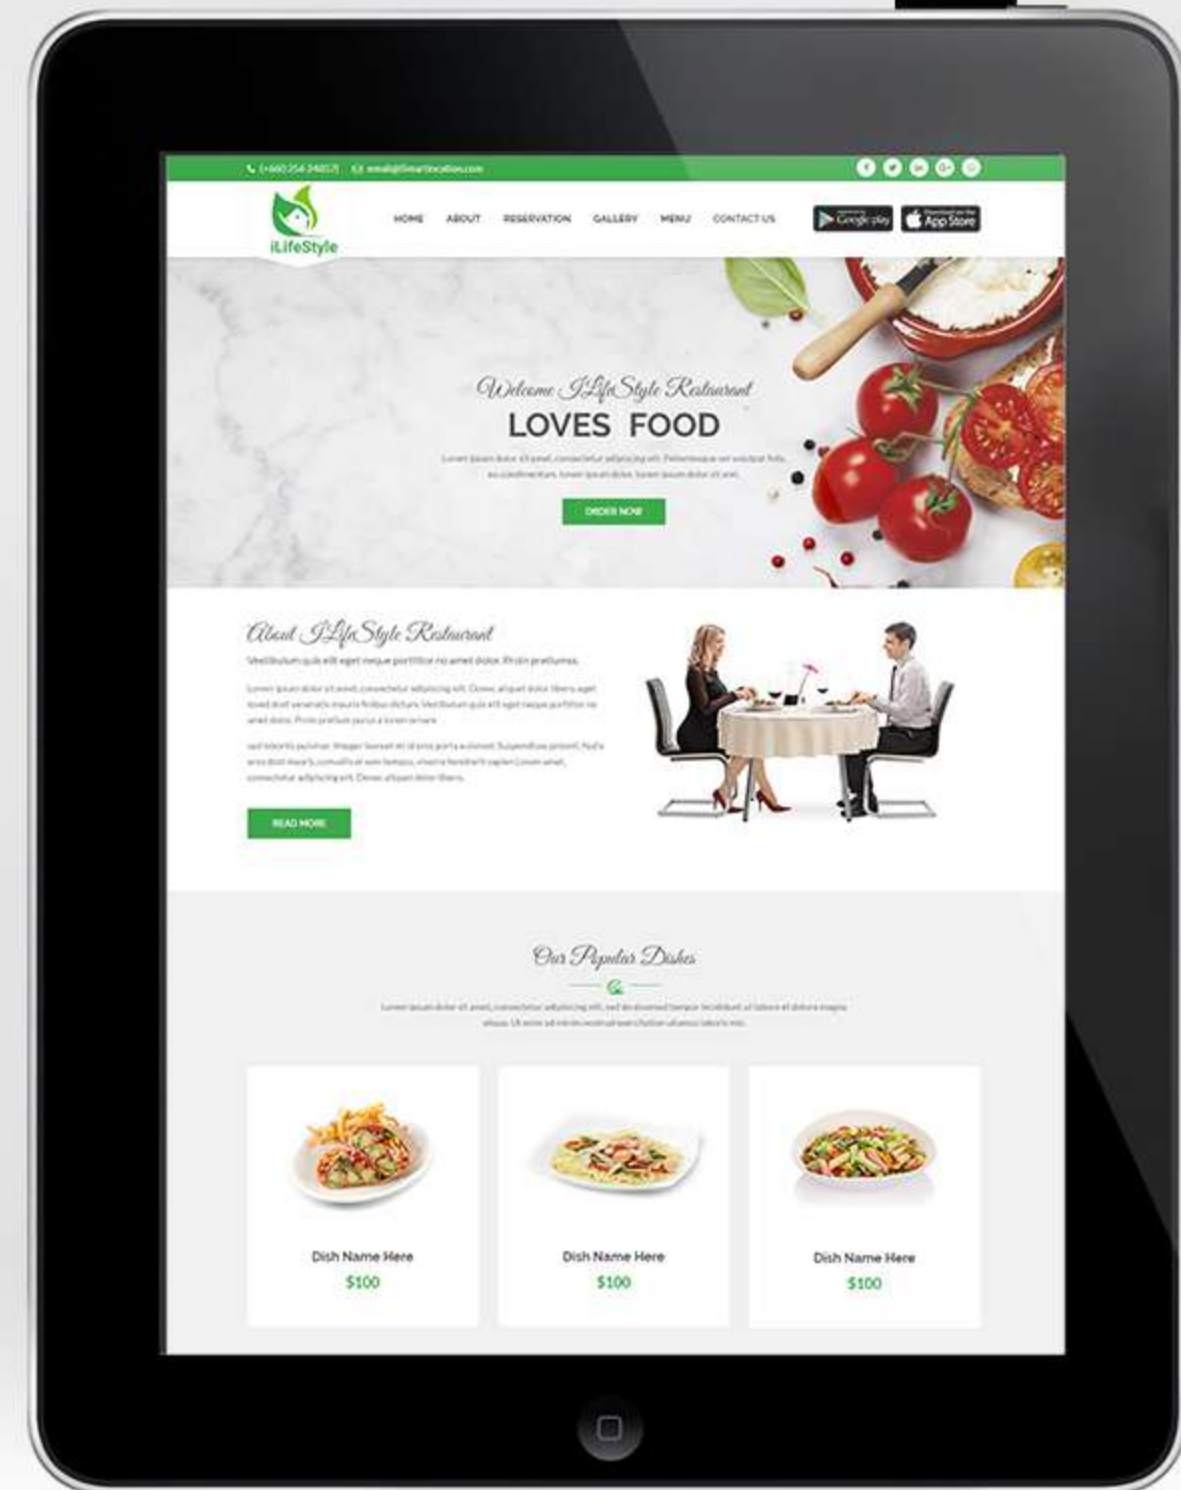

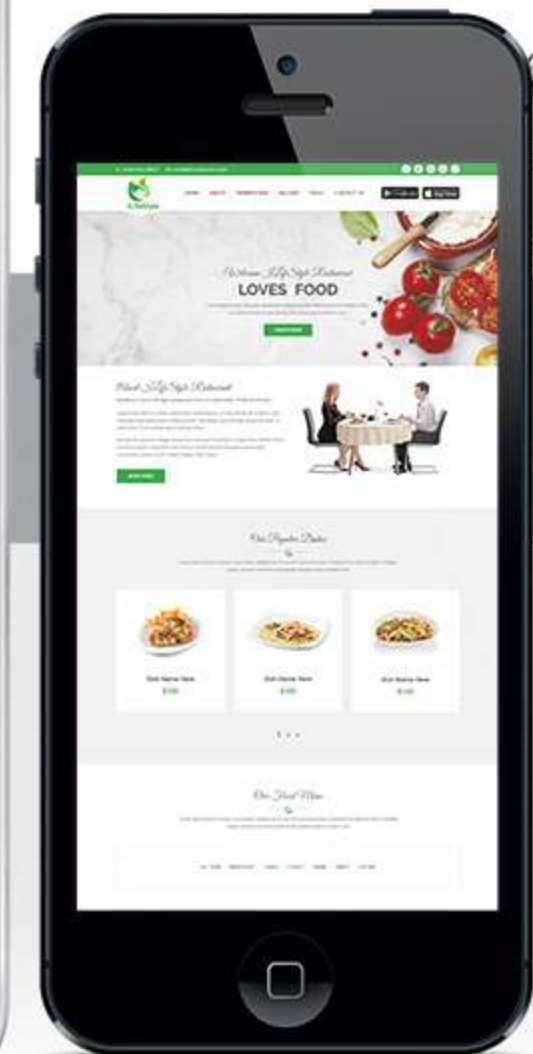

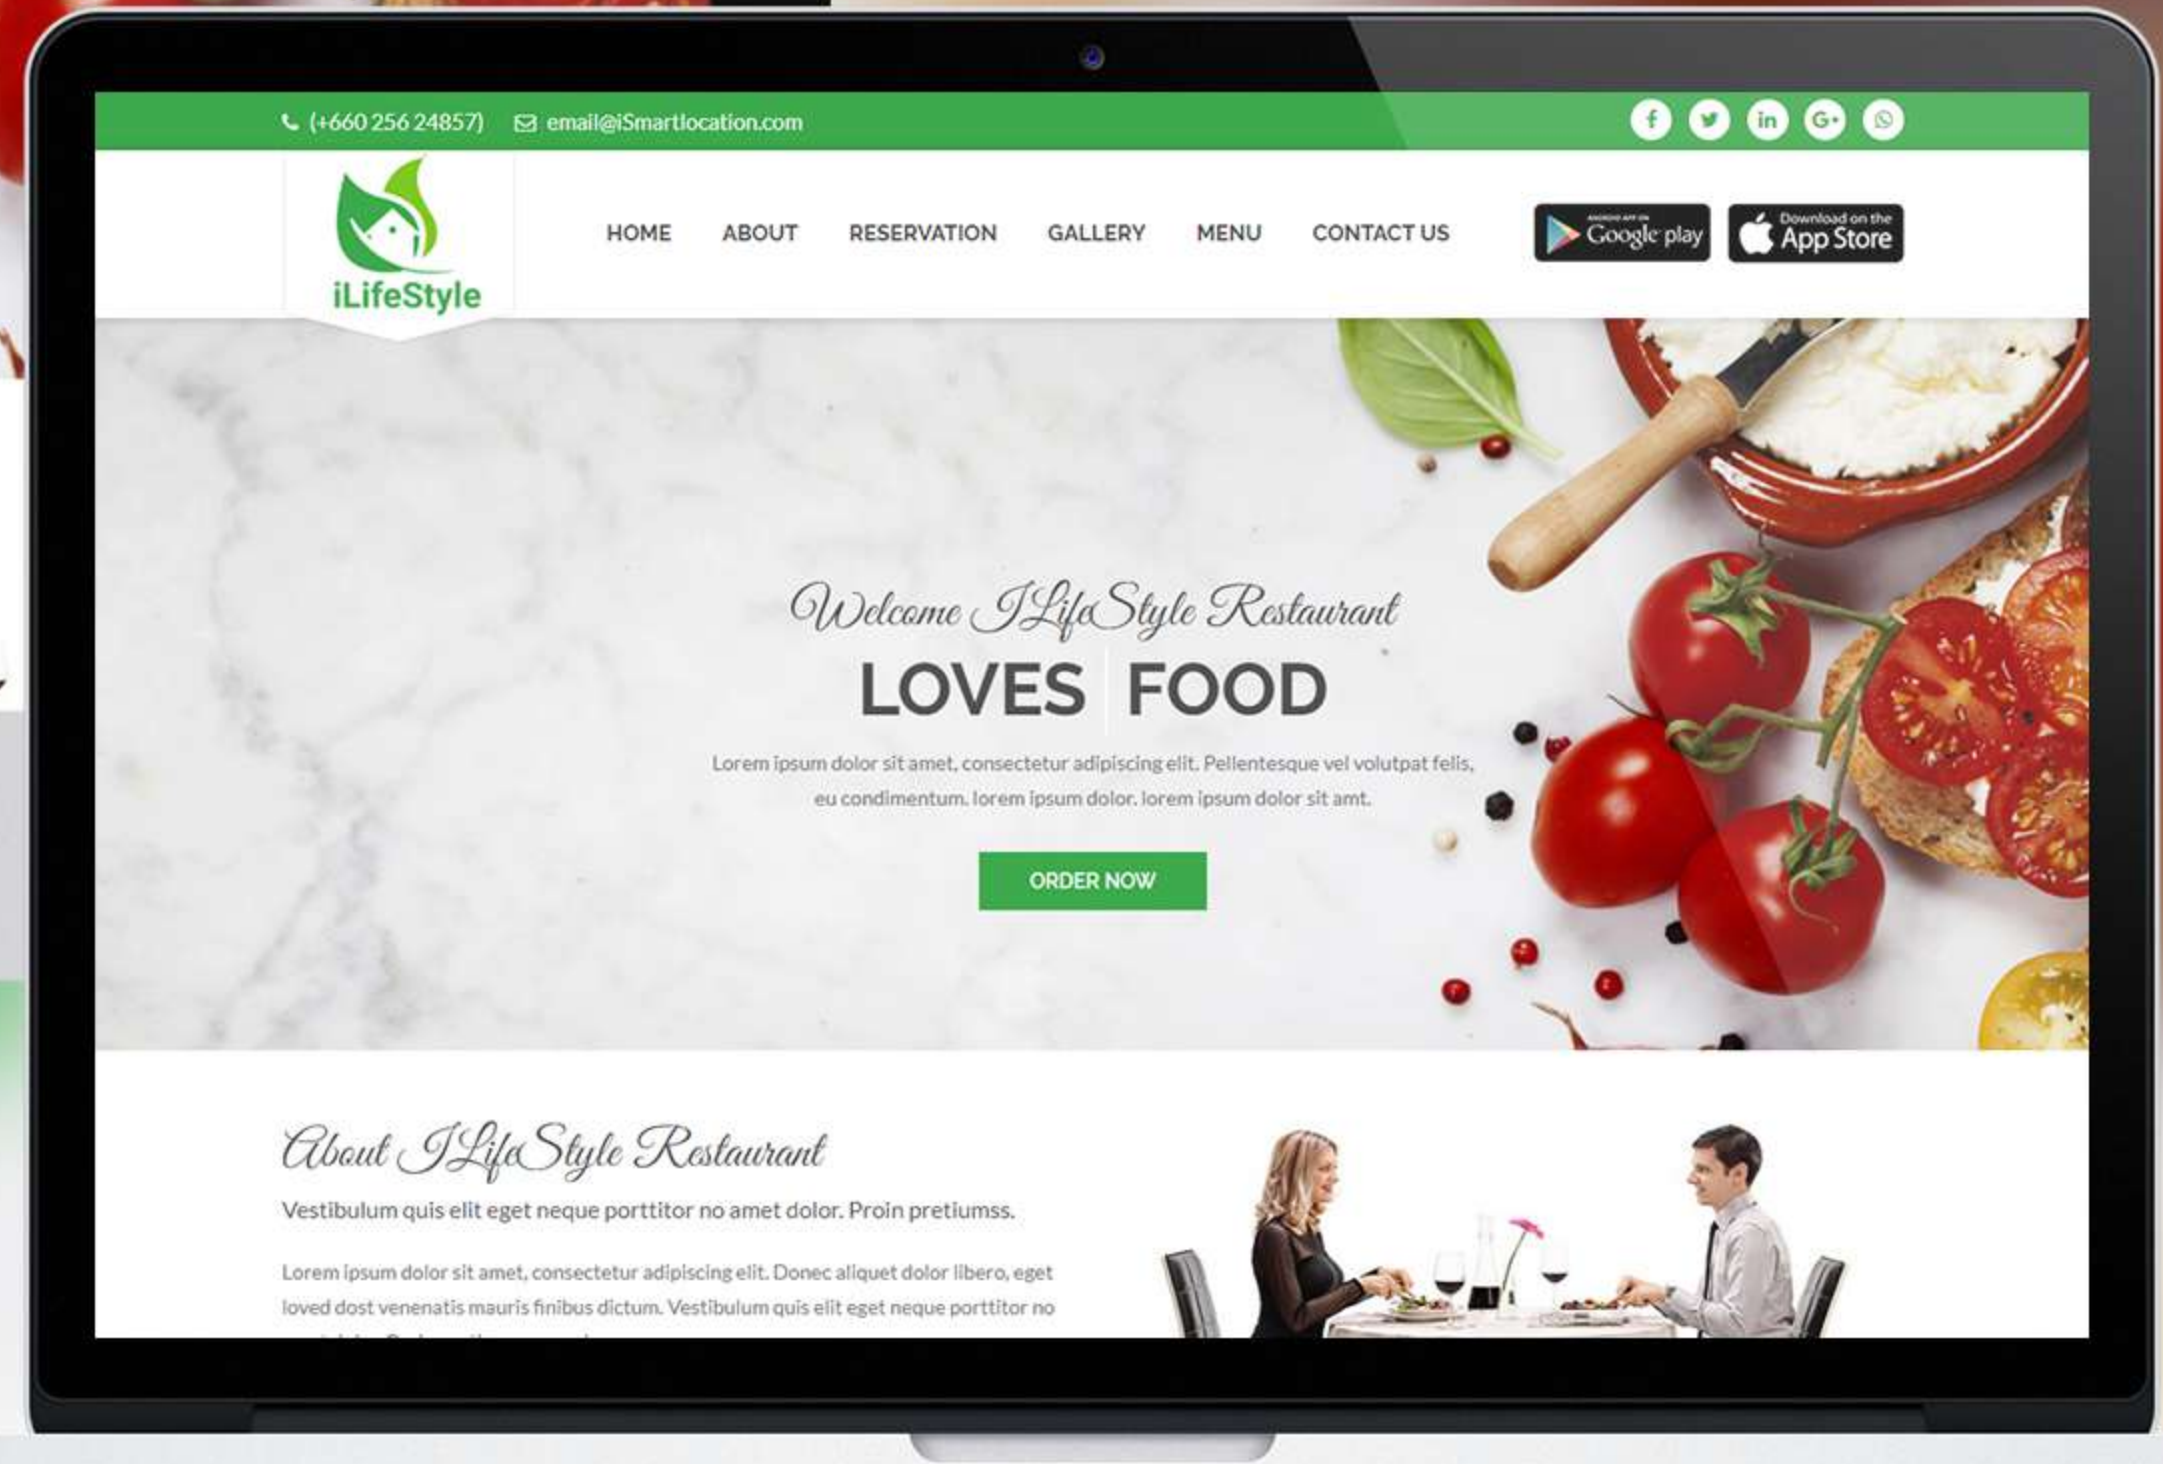

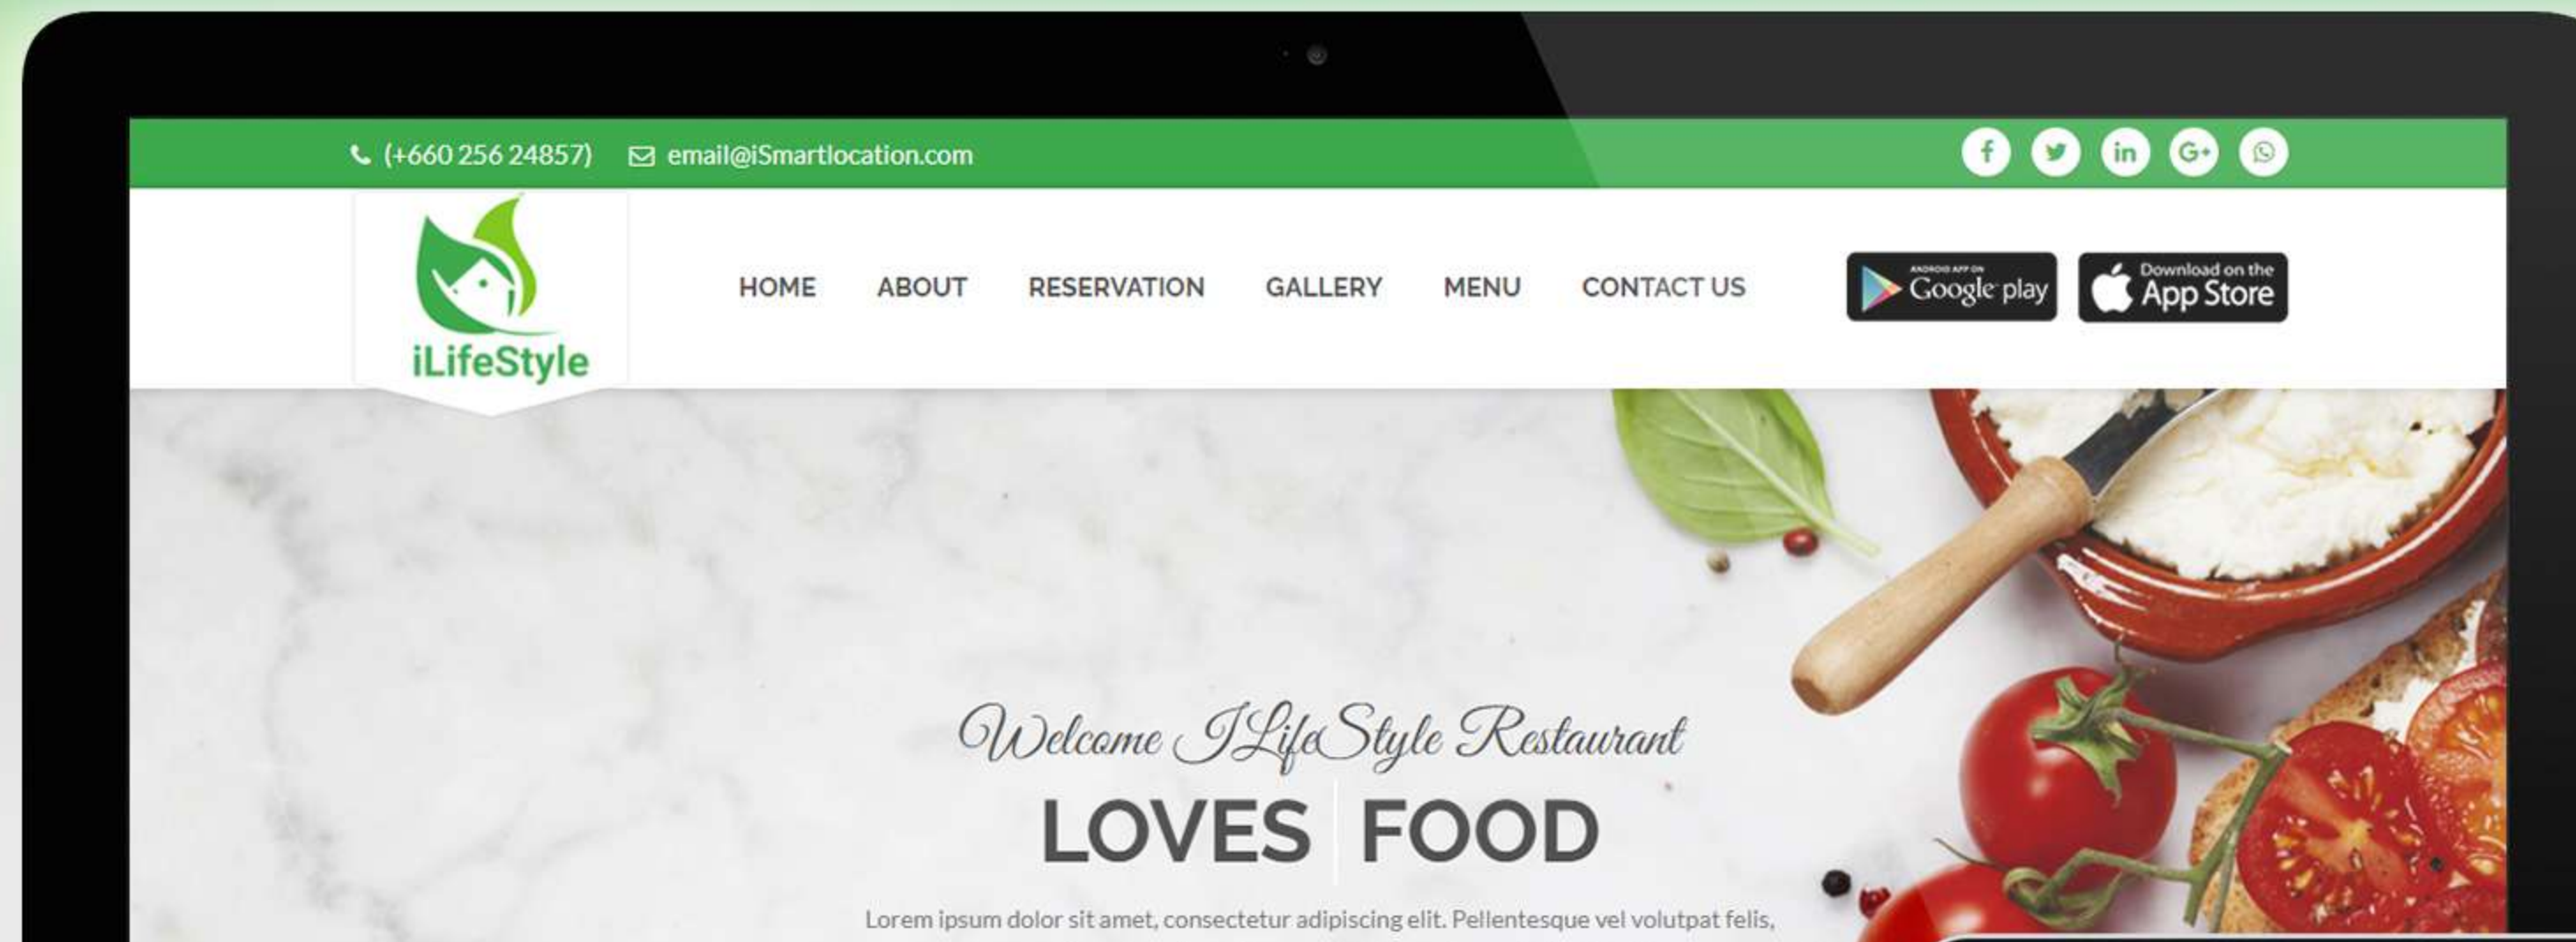

Prevention at School

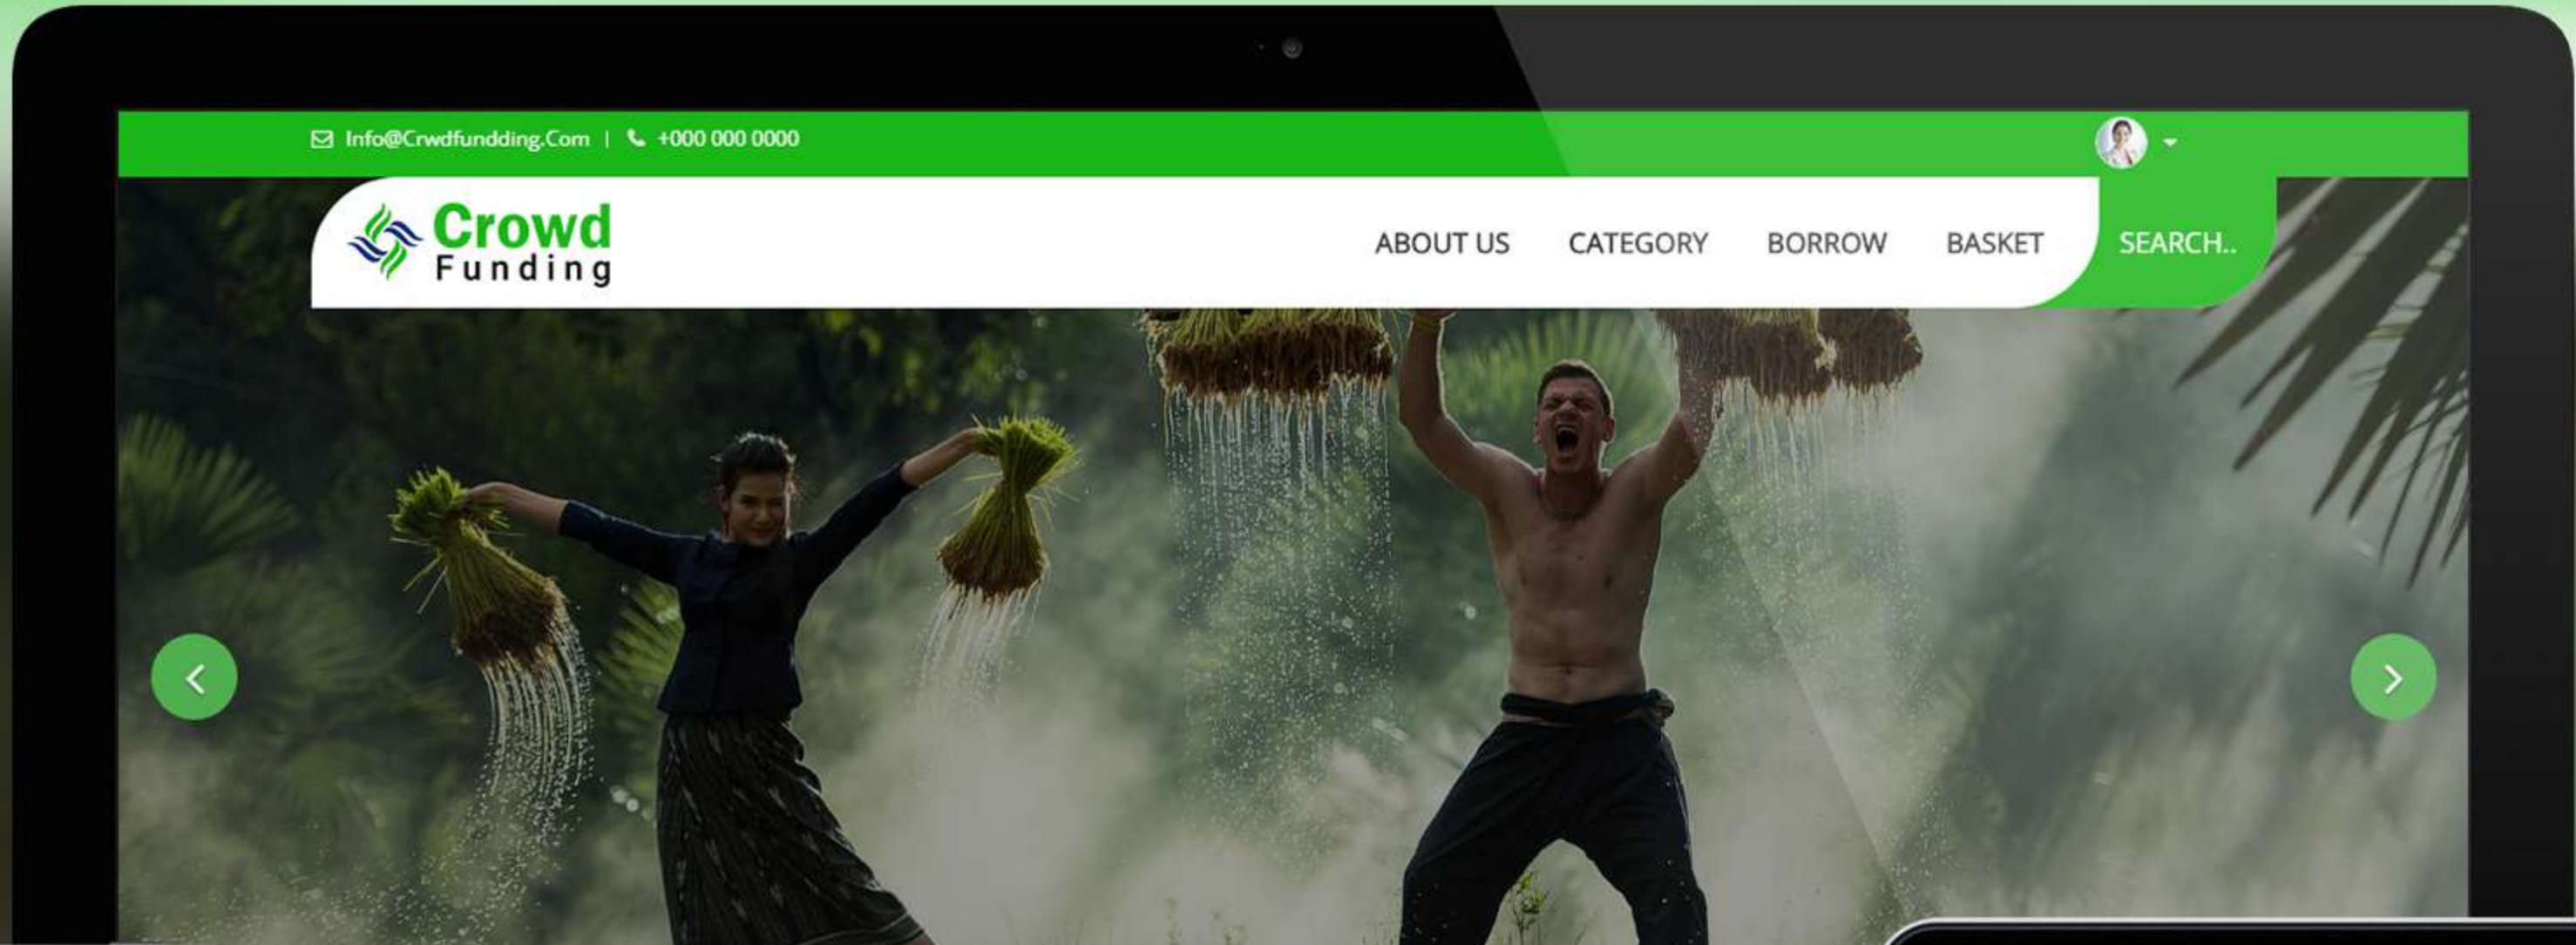

Bullying can threaten students' physical and emotional safety at school and can negatively impact their ability to learn. The best way to address bullying is to stop it before it starts. There are many things Student BPS will do to make schools safer and prevent bullying.

Evidence-Based Program Implementation

Based on evidence-based efforts from the past 20 years, the National Forum on Youth Violence Prevention has integrated a multi-year plan to improve your school's best chance to substantially reduce bullying.

Examine quality of your samples and diagnose the cause of the disease.

About Us

Avian Diversity and Bioacoustics Laboratory was established by Prof. Dinesh Khori, in the Department of Zoology & Environmental Science, Gurukula Kangri Vishwavidyalaya, Haridwar, Uttarakhand in 2010 when he joined the department.

Our lab is working in the different areas like bird breeding, aviculture, diversity and conservation biology. The aim of our laboratory is to provide the best services to the avian community.
